A **complete menu of Teriyaki To Go** from Roseville featuring all 17 dishes and drinks can be found here on the menu. Nestled in the heart of the city, this restaurant offers budget-friendly teriyaki plates for around \$10. While some patrons appreciate the quick service and variety—featuring chicken, beef, pork, and vegetables—others find the flavors underwhelming, with critiques of overly sauced, bland chicken. The tempura shrimp is occasionally noted as a redeeming feature, yet many diners leave disappointed by the overall quality. For those seeking a fast meal without high expectations, this spot may suffice, but culinary adventurers might want to explore other options. It's a mixed bag that caters to the casual lunch crowd but struggles to impress more discerning diners.
