What [User](#) likes about South Gate Centre:

This is a branch operation of the South Gate Centre and is located in Southside Park in the Park Canteen. Although it is a fast food operation the menu is much better but if you want a great Hamburger try this place. The other great thing is you are served by people that actually enjoy what they do and smile when they do it. On a nice day a great shady place to sit and enjoy your meal !!! If you're craving for **tasty snacks**, South Gate Centre with its **delicious desserts** can easily provide a fix, also, the original Canadian meals are well received by the diners of the restaurant. Even if you are not very hungry, you could have one of the delicious sandwiches, a healthy salad or another snack, The visitors of the establishment are also thrilled by the comprehensive selection of different *coffees and tea specialties* that the restaurant offers.
