A **comprehensive menu** of New Mills Cuisine from High Peak covering all 22 menus and drinks can be found here on the menu. Despite delicious food, the restaurant received mixed reviews. While some praised the warm welcome and extensive menu, others were disappointed by tough lamb chops and unimpressive masala. Issues with billing accuracy and inappropriate challenges regarding paid deposits detracted from the overall experience. However, efficient service and complimentary treats were appreciated. Takeaway customers generally enjoyed timely delivery and generous portions of tasty food. Despite some shortcomings, the restaurant's offerings were satisfying for most diners, with excellent service and flavorful dishes making up for occasional missteps.
